

## TIPS FOR PACE OF PLAY

- ❖ FIRST TEE, PLEASE be ready and stand, BALL ON TEE, CLUB IN HAND
- ❖ SECOND TEE, it's not too hard, one tees off while OTHERS SCORE THEIR CARD
- ❖ PLEASE DO NOT LEAVE CARTS in the way, so that those behind you will not wait to play
- ❖ LEAVE CARTS, push or motorized, on the side where you'll exit the green, especially on 18
- ❖ KEEP UP PLAY WITH THE GROUP AHEAD OF YOU, to lose a hole is just TABOO
- ❖ IF YOUR GROUP IS BEHIND, consider two players finishing the hole and move on, and those in carts can get started on the next tee whether playing off green or red tees
- ❖ READY GOLF on drive, chip or putt and refrain from Chit Chat when it's your turn to play
- ❖ LOSE A BALL, HAVEN'T A CLUE, the USGA rule is 3 minutes to search or DROP A NEW
- ❖ IF LOOKING FOR YOUR BALL, bring some clubs or keep your cart near to avoid a long haul
- ❖ ON ANY GIVEN HOLE IF YOUR SCORE IS 10, please pick up your ball and move on then
- ❖ IDEALLY 4 – 4 ½ HOURS should be the target to play your round and will be much more enjoyable for all. More importantly HAVE A GOOD TIME and ENJOY YOUR ROUND!
